

UNIT 8 Making Plans

A In pairs, make predictions for ten years in the future, like the example.

1. your school *Our school is going to have a big, new building. It will be beautiful!* _____

2. your city _____

3. your teacher _____

4. a classmate _____

Name: _____

5. a classmate _____

Name: _____

6. your country _____

7. a sports team _____

8. Name: _____

a famous person _____

B Get together with another pair. Share your predictions.

C Choose the three best predictions from your group. Read them to the class.
