 a person that has a position of responsibility
 in a large organisation Government officials
 admitted they were unable to solve the
 problem. ❖ agent officiel

LOOK!

The nouns *officer* and *official* have a similar meaning, but they're not the same. We use the word *officer* to refer to somebody who has a rank, such as an army officer, an officer in the air force, the navy or the police force.

→ By the time she was 30, she was already an **officer** in the French army.

The word *officer* can also be used as a title to refer to somebody who's in a position of power or has certain duties.

→ The Environmental Health **Officer** will be meeting with the local council.

The word *official* refers to anyone who's in a position of responsibility in an organisation or public service. As an adjective it can also mean 'formal'.

- → Government **officials** said they expected the problem to be solved by tomorrow.
- → Both English and French are recognised as official languages in Canada.
